

VA COMMODITIES ENTERPRISE CONTRACT: VA 118-13-D-1000

The CEC is a vital element in the VA TAC's strategy to establish standardization of commercial IT hardware and associated installation, configuration, warranty, maintenance and technical support services solutions across the VA Enterprise.

Valador Inc., is a Verified Service-Disabled Veteran-Owned Small Business awardee, commits to ensuring interoperability of systems at the Enterprise level. Valador has a firm understanding of the VA Enterprises' current operating environment; strong OEM relationships; and the ability to repetitively acquire, test, integrate, deliver and support large numbers of products quickly and efficiently.

Valador VA CEC Portal Available via: <https://vacecportal.com>

Our specially designed portal makes it easy for you to reach Help Desk, Warranty Information, and our OEM partners and view information on product offerings on the contract. Requirements are managed through the TAC in coordination with Valador to provide the best price available on the equipment.

CEC offerings include:

- ◆ End User Devices - Laptops (Windows & Apple OS) and Thin Clients
- ◆ Mobile Tablets (Android, Apple, Blackberry OS)
- ◆ Servers
- ◆ Networking Appliances (Switches/Routers)
- ◆ Storage Arrays/Storage Appliances
- ◆ Security Platforms/Devices
- ◆ Services – FFP and T&M

The products on the CEC meet the standards governed and approved by One-VA TRM.
